## Church Gingerbread House Pattern

Approximate size: 6" wide x 6" deep x 12 ¾" tall

### Steeple Cap

Place all four steeple pieces (**H, J, H and J**) on a flat surface with the four bottom corners touching. Frost edges of each piece. While frosting is still wet, stand-up each piece, connecting pieces together at all edges. If needed, prop each piece with a small soup can. Let dry while assembling church pieces.

## Walls

Place four **wall pieces (A, B, A and B)** flat on your base so four corners are touching. Apply a bead of frosting along the base and sides of each piece. Stand-up each wall, connecting pieces to each other at sides. Support with food cans if necessary.

## Roof

Apply bead of frosting along top edges of walls. Attach **right roof piece C**, lining up top edge and peak of house. Hold until set. Support while drying. Attach **left roof piece C**, lining up top edge and peak of house. Apply frosting down middle roof line, filling in any gaps in roof. Let dry.

## Steeple

With frosting, attach **right lower side (piece E)** of steeple of church. With frosting, apply **left lower side (piece E)** of steeple of church. Apply frosting to **Steeple front (piece D)**, and attach to steeple sides (pieces E). Let dry. Apply bead of frosting to both left and right sides of **steeple (piece G)**, and attach to steeple front (piece D). Let dry. Apply frosting to **steeple back (piece I)** and attach to top of steeple sides. Let dry. Apply frosting to top edges of steeple. Set **steeple cap (piece F)** on top of frosted edges. Apply a bead of frosting to the bottom of the now dry steeple top (pieces H and J). Set on top of steeple cap.
